## A Place

A place that I can see a winter  
glover as white as a Polar Bear walking  
on snow.

~~A place that~~

A place that I can hear a wardrobe

A place that I can <sup>feel</sup> smell the cold, winter  
breeze like gust fan making cold  
air.

A place that I can smell air as plain  
as a white page that you have  
not written on and with no lines.
