

**Smart
tech,
safe
choices**

**Exploring
the safe
and
responsible
use of AI**

Safer Internet Day is on the 10th February, and this year we're looking at how children can make safe, confident and responsible choices when using smart technologies, like ...

SAFER INTERNET DAY

Together For a Better Internet

Our approach to AI is rooted in the wider values:

- Human first
- Safety and privacy
- Digital literacy
- Ethical use

Here are some simple ways to help at home:

- Talk openly
- Set boundaries
- Encourage critical thinking
- Model safe behaviour
- Use AI together
- Reinforce school expectations
