

Weekly Newsletter
St Cuthbert's Catholic Primary School

Week ending 19th December 2025

Dear All

Well it has been a busy term but we are finally there. The children continue to bring us joy every day and we are so grateful for each and every one of them!

Thank you so much for all the cards and gifts that have been sent in for the staff, it is very kind and I know they all want to express their gratitude.

The KS2 Advent service in the church on Tuesday was beautiful! The children did such amazing job, and especially having only had one practice in the church! They sang, danced and read with commitment and enthusiasm and it was such a success. Thank you for your support in delivering them and attending!

Today's special celebration assembly is always a lovely way to close the term. Celebrating the children's achievements in different areas is such a joy. They work so hard to be the best that they can be and it is lovely to recognise this.

You will be receiving a report today sharing your child's achievements in some areas of learning this term. This is a data drop which for most year groups (except EYFS and Y1) will include standardised scores from tests taken towards the end of this term. This is purely for your information - I have met with all the teachers to discuss the children's progress and what we need to put in place if further support is required.

A reminder that there is an INSET day for staff on Monday 5th January so the children are due back on Tuesday 6th January.

As this year draws to a close, we are also in the last few weeks of the Church's Jubilee Year, celebrating Jesus' message of hope and encouraging us to live as Pilgrims of Hope, as we prepare, live and celebrate the hope that Jesus brings.

Have a wonderful Christmas holidays!

Mrs Rainbow

We are a Catholic community, living and learning in faith. Through the Gospel values of faith, hope, trust and love, we aim to recognise individuality and enable each other to fulfil our potential"

The Week That Was—KS1

Year R: This week, Reception have been continuing their learning about Advent and Christmas all around the world. We have been busy making Christmas pictures, snowflake paper chains, Christmas cards and writing letters to Santa. We read the story "Father Christmas needs a wee" and used colour semantics and our Fred talk to write the sentence "Santa needs a wee". In maths we have been recapping our learning from this half term and singing lots of number songs and playing different maths themed games. We hope you have a lovely Christmas break!

Year 1: Well done to everybody in Year 1 for another great week to conclude a very productive first term. The children have made so much progress and developed both academically and socially. They are all moving from strength to strength and it is a joy to see. In RE this week, we learned about the ways in which Christians celebrate Christmas. We discussed the importance of the crib and what it symbolises. The children have worked so hard and learned so much this term, they are overdue a well-earned rest! Wishing everyone a lovely Christmas and Happy New Year.

Year 2: Year 2 did an amazing job at recapping all we've learnt in RE we all got to have a go at retelling Jesus' story. We did this through Godly play and all the children got to add parts to it. In Maths we have been looking at shapes and the children have been making patterns and counting vertices and edges of the shape. The children have done a fantastic job this week at completing lots of their end of topic assessments and show cased their knowledge. What a great week Year 2, well done. Have a fantastic break and Merry Christmas!

The Week That Was—KS2

Year 3: This week we have enjoyed bringing our learning to a close for the term through a range of meaningful activities. In RE, we explored different artworks celebrating the birth of Jesus in Bethlehem, discussed why this small yet significant city in Judah is so important, read Micah 5:2 and created our own Bethlehem artwork. We also worked hard rehearsing songs and actions for our Advent Service, showing great enthusiasm and teamwork, and had great fun performing confidently to parents as a joyful way to celebrate the end of the year. In History, we developed our own theories about how Stonehenge may have been built and completed our learning by creatively comparing the Old and New Stone Age through an imaginative double-page spread. We hope everyone has a lovely and restful break.

Year 4: What a fantastic and full week we've had in Year 4! In RE, the children completed their Jesse Tree work by adding the final four symbols, showing a brilliant understanding of the stories that lead to the birth of Jesus. In Maths, we explored the rules of multiplying by 1 and 0 and dividing by 1 and by itself. The class showed great confidence applying these facts in different problems. In English, the children produced impressive non-chronological reports about AI, using their research and planning to create a brilliant Big Write. In Science, we investigated switches and discovered how they open and close circuits—lots of excitement as circuits lit up (or didn't!) depending on how the switches were used. In History, we delved deeper into Ancient Egyptian religion, exploring gods and beliefs, then created their very own Egyptian time capsules filled with items an ancient Egyptian might treasure. In DT, the children proudly finished their book sleeves. They spent time sewing carefully, improving their stitching techniques, and reflecting on what they learned throughout the project. A busy, creative and curious week—well done, Year 4!

Year 5: In RE this week, the class have been looking at ways Christians countdown throughout Advent, this has included the Jesse Tree and the O'Antiphons. The children learnt that the O'Antiphons are special prayers said for eight days leading up to Christmas Eve, with each prayer leading with a name for Jesus. In Maths, we have finally finished the fractions unit - I must say, the children have risen to this challenge well and I am so proud of their understanding of adding and subtracting fractions. Science finished with a bang! We had two experiments this week; sieving and filtering. The class used scientific vocabulary to explain the process and finished with a final assessment to show their understanding. The whole class made me extremely proud at the Advent Service. Well done to each and everyone who sung their hearts out, said their words with articulation and use their initiative for coming on and off the altar. Have a wonderful Christmas everyone.

Year 6: This week, Year 6 have been revisiting their learning from the *Prophecy and Promise* branch of RE. We explored how the women of the Old Testament connect to Mary and considered the role of Religious Orders today. In Maths, we wrapped up our work on fractions and turned our focus to units of measure. Our DT unit has come to an exciting end, and the children are thrilled to showcase their beautifully crafted Christmas stockings. In Computing, we added the finishing touches to our websites, demonstrating creativity and technical skills. It has truly been a busy and rewarding term filled with hard work and achievement. We look forward to continuing our learning adventures in the Spring term!

(egham@abdiocese.org.uk)

Guildford Cathedral's Carol Service

Guildford Cathedral's Carol Service is on Sunday 21st December at 6pm. If you'd like to see Mr Ellson in his role as a professional singer then come along to what promises to be a truly special and reflective service of carols and readings, sung by the internationally renowned Guildford Cathedral Choir of boys, girls and Lay Clerks.

Parish of Weybridge

As of 7th December, the school is now located in the Parish of Weybridge, instead of the familiar Parish of St. Cuthbert.

Bishop Richard celebrated Mass on Sunday 7th December with all of the former parishes within the Deanery of Weybridge. The Deanery of Weybridge is no longer and is now one Parish inline with the Bishop's pastoral plan.

The plan 'The Word who is Life' sets out an important stage in the development of Diocesan structures, with the 11 deaneries becoming 11 Parishes. The idea is that the communities within the parish will work together and build faith across many communities. The logo is poignant to the new Parish.

**Heavenly Father,
You have blessed our
individual parishes with years
of faith, service, and love.
Now, You call us to unite as
one family in Christ as the
Catholic Parish of Weybridge.**

**Fill our hearts with gratitude
for the past, openness to the
present, and hope for the
future. Pour out Your Holy
Spirit to guide us, deepen our
love, and strengthen our
mission.**

**Bless our priests, deacons,
and our communities.
Help us welcome everyone
warmly, share the Gospel
joyfully, and build a parish
where faith grows and Your
presence is felt.
Holy Mary, Mother of God,
pray for us as we journey in
faith, hope, and love.**

**Through Christ our Lord.
Amen.**

The logo of the new parish

The central image is a tree – a tree implies life, strength, roots, steady growth, and beauty.

- The parish logo is formed of the names of all the churches in the new parish
- A tree breathes life into our planet
- A tree undergoes regular change
- The branches and leaves, like our community of communities, form one entity
- The shape of the logo reminds us of a monstrance, and the centrality of the Eucharist
- With eight leaves on the tree, we recall the Beatitudes

In the meantime, the Parish of Weybridge ask for your prayers. This is the prayer created for our new Parish.

Diary Dates Spring Term 1

INSET Day—No school	Monday, 5th January 2026
Start of Spring Term	Tuesday, 6th January 2026
Pilgrims of Hope Mass	Friday, 9th January 2026 - 9am in the school hall parents welcome
New Well-being Club starts	Friday, 9th January 2026
Wild West Themed Lunch with Innovate - orders to be placed on the app	Thursday, 15th January 2026
Careers Week	Monday, 26th – Friday, 30th January 2026
Careers Week—Children Dress Up	Friday, 30th January 2026
Year 6 Bikeability	w/c Monday, 2nd February 2026
Year 3 Trip to Eton	Monday, 2nd February 2026

Safer Internet Day	Tuesday, 10th February 2026
Half Term	Monday, 16th—Friday 20th February 2026

Reception Applications for September 2026

The closing date for Reception and Junior applications for September 2026 entry is
15 January 2026.

We recommend online applications via <https://www.eadmissions.org.uk/eAdmissions/app>. If there is a valid reason why parents cannot apply online, they can obtain a paper application by calling us on 0300 200 1004. Completed paper application forms must be emailed to schooladmissions@surreycc.gov.uk or posted to the team with a postmark no later than 14 January 2026. We strongly recommend that parents send postal applications by recorded delivery as we are unable to confirm receipt.

Parents can also call 0300 200 1004 for impartial help in completing an application. Full information is available on Surrey's website at www.surreycc.gov.uk/primaryadmissions.

Applications received after the closing date without good reason will be treated as late and will not be considered until all on time applications have been processed. This may jeopardise the chance of a parent being offered one of their preferred schools for their child. We will only consider an application as on time if it has been made late if there is a genuine reason why the application could not reasonably have been made before the closing date.

If the child lives in another local authority, the parent must apply to that authority, ie their home local authority, even if they wish to name Surrey schools. If they know they will be moving in the future, they should still apply by 15 January to their home local authority at that time and then notify that authority of the move.

Sporting Roundup

Netball

Our teams have had a few matches this term with mixed results. Recently the Y5 (and 4) team played vs Holy Family, who put up a tough fight and score 6 goals in the first two halves. Our girls fought back and defended hard. They managed to stop Holy Family scoring any more goals and the result finished with 6-0.

The Year Six team were successful against Holy Family the previous week. They were up against it throughout the whole match, with the score being even for most of the game. We were victorious and the girls eventually won the match with an impressive 11-7.

Thank you to Mrs Langley for her volunteering with coaching the team. She has been a valuable addition to the team meaning that training can continue whilst we also attend games. Thank you always for 'Mrs Langley's Top Tips.'

Boys Football

Our boys teams have been busy over these past few weeks. Our Y5 boys have played against Ongar place as well as Stepgates. They are proving to be a team to not to be reckoned with and have won both of their first league matches. The score vs Stegates was an impressive 10 - 3 and was followed with a win vs Ongar Place at 3 - 0. Thank you to Mr Sheridan for volunteering his time to train the team. We are so pleased to have you on board.

Year Six have also achieved success this term. They have played both Lyne and Longcross as well as St. Judes. Six must be their magic number as they won both matches 6-0. They are looking forward to the Spring Term where they will come across Pycroft and Holy Family - watch this space! Another thank you to our volunteer team. Mr Gray has trained these boys since the start of Year Five and we are very grateful for the time he gives.

Sporting Roundup

Girls Football

The girls football has went really well so far this year. We have had some tough competition but continue to persevere and develop our skills. Our only league match so far saw us lose 0-3 to Holy Family. We conceded all three goals in the first half, realised what we were up against, and all the girls kicked it up a gear! The second half was a draw and a more accurate representation of the match.

The girls have represented the school at two tournaments, one mixed gender. They have represented the school well and showed great sportsmanship skills.

Thank you to all the parents who have supported us this term. We are looking forward to growing and developing even more in the New Year! (Keep an eye on the newsletter for upcoming fixtures).

THE UK'S NO.1 PRIMARY SCHOOL FENCING PROVIDER

St Cuthbert's Catholic Primary School - Little Musketeers Club Spring Term

Dear Parent(s) / Guardian(s),

Little Musketeers is an exciting club inspired by the Olympic sport of **Fencing**. Classes are designed and managed by Olympian and 4 time British Champion James Beevers. All our coaches are trained personally by James and hold enhanced DBS certificates.

Our engaging and varied programmes appeal to a child's sense of play and are taught in a fun, safe and educational environment. What child has not grown up pretending to be a swashbuckling pirate, a duelling musketeer, a master Jedi, or even the master of swordplay himself, Zorro? Why do they do it? Because it's fun!

Little Musketeers are proud to be internationally endorsed by Olympians, educators and scientists from across the world. All our equipment is safe plastic or foam while still giving the children the real feel of fencing.

Spring Term Clubs:

We are delighted to announce that we will be starting a **Wellbeing Club** led by **Mrs Protheroe – our School’s ELSA and Mental Health First Aider**. This club will run on **Friday mornings** and is designed to support children’s emotional wellbeing in a positive and engaging way.

Club Details:

- 9th January – 13th February
- 27th February – 27th March

- **Time:** 8:00 AM – 8:40 AM

- **Location:** Year 5 Classroom

- **Cost:** £44.00 for the whole term (£4 per session)

The focus of the club will be **children’s wellbeing**, with a different theme each week. Sessions will be **activity-based** and aim to create a calm, supportive start to the day.

Research shows that wellbeing activities can help children:

- Build resilience and confidence
- Improve emotional regulation
- Develop positive coping strategies
- Start the day feeling calm and ready to learn

To maintain an appropriate and comfortable atmosphere, the club will be limited to a **small group of up to 12 children**.

Sign-up Information:

Places will be allocated on a **first come, first served basis**. Please email the school office (info@stcuthberts.surrey.sch.uk) if you would like your child to attend. In the event that the club is oversubscribed, your child will be placed on a waiting list.

Thank you for your support in promoting wellbeing across our school community.

Wake Up Wednesday:

10 Top Tips for Parents and Educators SAFETY OVER THE FESTIVE SEASON.

The holiday season, marked by Christmas and New Year, brings joy and togetherness but also presents unique safety challenges for children, families and educators. From busy holiday shopping, traveling and family gatherings to managing digital activity during school breaks, staying safe during this period requires heightened awareness. This guide offers practical tips to help families and educators maintain a more secure and fulfilling festive period.

1 MONITOR DIGITAL ACTIVITY

Children spend more time online during school holidays, increasing exposure to potential dangers such as cyberbullying, inappropriate content and online predators. Balancing screen time, avoiding harmful websites and ensuring children engage positively online can be difficult without proper monitoring tools. Set clear boundaries, encourage open discussions about online safety and use parental controls to manage content exposure and screen time effectively. Regular check-ins and positive reinforcement around digital habits encourage safe online behaviour.

2 PRACTICE FIRE SAFETY PROTOCOLS

The incidence of house fires increases during Christmas due to greater use of candles, cookers and electrical decorations. Open flames, electrical overloads and the need for quick response plans can make fire safety challenging. Ensure smoke detectors are operational, keep fire extinguishers on hand and teach children how to respond in case of a fire emergency. Avoid leaving cooking unattended and use fire-safe candles to prevent mishaps.

3 CREATE TRAVEL SAFETY PLANS

More families tend to travel during the holidays, resulting in busier roads, increased traffic accidents and weather-related hazards. Weather conditions, road rage, fatigue and busy airports can all compromise travel safety. Pack emergency kits and adhere to seatbelt laws. Plan routes in advance and allow extra travel time to avoid rushing and mitigate risks on busy roads.

4 BEWARE OF ALLERGIES

Holiday meals often involve many foods that may contain allergens. Cross contamination, unclear labelling and lack of allergy-friendly options can lead to severe reactions. Communicate any allergy needs to hosts, provide safe food alternatives and carry necessary medications like antihistamines or EpiPens. Teaching children how to advocate for themselves and recognise dangerous foods also contributes to safer celebrations.

5 PREVENT THE SPREAD OF ILLNESS

Cold weather and seasonal socialising can increase the spread of viruses like flu and COVID-19. Crowded gatherings, schools out of session and frequent travel can lead to higher infection risks. Emphasise hygiene, encourage vaccination, disinfect surfaces and isolate symptomatic individuals. Communication with children about proper hygiene practices is essential to reduce the spread of illness.

6 STAY VIGILANT ON THE ROAD

Increased holiday traffic heightens the risk of accidents for both drivers and pedestrians. Distracted driving, pedestrian safety and inclement weather can complicate road safety. Encourage pedestrian safety practices, avoid distracted driving and never drive under the influence.

7 MAINTAIN SAFE DECORATIONS

Festive decorations such as Christmas lights and candles can pose electrical fire and choking hazards if mishandled. Frayed wires, toppling Christmas trees, small ornaments and open flames can be difficult to control, especially in busy households with children. Inspect and maintain decorations, secure Christmas trees, place fragile or small items out of reach and ensure candles are never left unattended. Testing smoke alarms and using flame-retardant decorations can significantly reduce risks.

8 SET BOUNDARIES FOR GIFTS

Some toys and gadgets can present choking, sharp-edge or safety risks, particularly for young children. Ensuring that gifts meet safety standards and are age appropriate can be complex with so many options available. Inspect all toys carefully and ensure any tech devices have parental controls. Setting expectations around safe gift use and discarding packaging that poses a risk also helps to prevent accidents.

9 ADDRESS STRESS & FATIGUE

Holiday pressures can lead to burnout, which affects both physical and mental health. Overpacked schedules and a lack of downtime can cause stress and fatigue, leading to accidents or poor decision making. Incorporate rest, maintain regular routines and seek support to reduce stress. Encourage activities that promote relaxation to create a healthier, happier holiday experience for everyone.

10 DRINK RESPONSIBLY

Alcohol is commonly present at holiday events, raising concerns about safety and supervision. Excessive alcohol consumption can lead to accidents, impaired judgment and lack of supervision for children. Designate responsible adults, limit consumption and provide transportation alternatives for guests. Teaching moderation and modelling responsible behaviour in front of children ensures that celebrations remain positive and secure.

Meet Our Expert

James Whelan is a chartered health and safety consultant with 10 years of experience in promoting family and community safety. Specialising in risk assessment and preventative strategies, he has worked with educational institutions, public health agencies and community groups to deliver safety education and training.
