

Weekly Newsletter
St Cuthbert's Catholic Primary School

Week ending 6th March 2026

Dear All

It has been lovely to see the sun shining this week! Long may this continue!!

World Book day was a great success this week! The children (and staff) looked amazing and were keen to talk about their favourite books. We had a great assembly from the librarians in the afternoon and guessed who the 'masked readers' were and then took part in a parade with music around the play-ground in the sunshine. The day finished with some buddy reading. Thank you for your support with costumes!

The Y3 children shared their learning in an assembly yesterday and did not let their book day costumes get in the way! They did an amazing job of singing and acting to share the topics they have been studying. Well done children!

Can I make another plea to parents and ask for considerate parking. I appreciate that pick up and drop off times can be hectic, but we need to prioritise children's safety and park in allocated areas and also not over local residents' driveways. I have also mentioned the one-way system (ie- driving past the school entrance on your right and continuing around the block) that avoids cars performing 3-point turns in the road. Thank you for your cooperation in advance.

A reminder that there is an INSET day next Friday 13th March so the children will not be in.

In the Gospel, the Samaritan woman experienced that Jesus' love is for everyone. In this prayer time, children will have an opportunity to accept the love Jesus offers and shares this love with others. This Lent, we can say 'Yes!' to Jesus' transforming love in our lives.

'Jesus answered her, 'If you knew the gift of God, and who it is that is saying to you, "Give me a drink", you would have asked Him, and He would have given you living water.'

John 4:10

Have a lovely weekend.

Mrs Rainbow

"We are a Catholic community, living and learning in faith. Through the Gospel values of faith, hope, trust and love, we aim to recognise individuality and enable each other to fulfil our potential"

Fair Dojo Winners:

F faith

A appreciate and articulate

I independence and initiative

R respect and resilience

Clodagh in Reception for being resilient in her independent learning.

Nathaniel in Year 1 for working consistently and displaying all our fair values.

Arthur in Year 2 for being respectful and articulate when sharing ideas in class.

Sebbie W in Year 3 for showing respect during group activities by listening carefully to others' ideas and taking turns thoughtfully during pair work.

Eden in Year 4 for clearly articulating and explaining your book character in the Ultimate Character Champion battle.

Auriah in Year 5 for outstanding presentation and showing respect to all lessons.

Hugo in Year 6 for being super resilient and independent - catching up on work he has missed without fuss.

The Week That Was - KS1

Year R: This week Reception have been continuing our learning about Lent. We have been listening to the story of Jesus in the desert and learning about how Lent is a time to grown closer to Him. To help us think about this, we planted a seed to mark the beginning of Lent and placed it on the prayer table. We are going to care for it and watch it grow and as it grows, we can think about how we are growing closer to Jesus too in Lent. In literacy we have been reading the sequel to last week's book "What the Lady-bird Heard Next". We created wanted posters for the thieves and also wrote captions to go with our costumes from world book day. In maths we have been continuing our learning on number bonds to ten and using tens frames.

Year 1: Wow Year 1! What a productive week. In RE, we are continuing focusing upon Lent. In English, we mapped a non-chronological report about tigers. The children thought carefully about the appropriate structure including introductions and subheadings. In History, we are learning all about explorers and discussed whether Ibn Battuta was a great explorer. In DT we started to design our puppets. It was fabulous to see the children in their World Book Day outfits on Thursday. We really immersed ourselves in reading and it really did bring us a lot of pleasure. Well done, Year 1!

Year 2: Year 2 have been looking at the last supper this week in RE and thought about how the disciples felt at the last supper they have then had time to think about how they might have felt if they were the disciples. They also then thought about things they are sorry for and how we can be forgiven. In Math's we have been doing measurement and measuring things around the classroom thinking about centimeters and meters. In English this week we have been doing our guided write for our informal letters and the children have done an amazing job and coming up with some amazing sentences. We have been looking at food in Science and thinking about where our food comes from and how it helps us. They did a really good job at labelling a meal they have eaten and where all the ingredients come from. They have worked so hard this week, and it was amazing to see all of their lovely world book day outfits! Well done Year 2! Keep up the good work.

The Week That Was - KS2

Year 3: Year 3 had a wonderfully productive week as we prepared for our class assembly, taking time to revisit everything we learned last half-term and practising how to bring all our ideas together confidently before an audience. In RE, we explored Matthew 26:26–29 and discussed how the Last Supper shows Jesus offering himself to his disciples, linking this to the miracle of feeding the 5,000 where Jesus provides abundantly for everyone; together, these stories helped us understand how today's Mass continues this pattern of Jesus nourishing his followers through the Eucharist, just as he did in Scripture. In Science, we investigated whether different hand sizes could pick up more or fewer items in a single grab, then displayed our findings in a bar chart and talked about how scientists use graphs to share results clearly. In History, we compared Bronze Age artefacts with those from the Stone Age, identifying similarities and differences and considering how new inventions made life easier for the people living at the time.

Year 4: This week in RE, we explored the Parable of the Judgement of Nations, learning that loving God means helping others. We also discussed how choosing one of the Seven Works of Mercy can help us become better people during Lent. In Maths, we worked with mixed numbers and improper fractions, practised converting between them, and placed them accurately on a number line. In English, we developed ideas for a persuasive debate text, boxed up our plans, and completed a guided write. During Guided Reading, we read Chapter 3 of Harriet's Hare and focused on comprehension skills by answering questions about the chapter. In RSE, we discussed where money comes from and how people earn it. We also enjoyed a fantastic World Book Day with a wide range of activities: the Footy Booky Quiz, an oracy challenge through our Ultimate Character Champion top-trumps style task, a special assembly featuring masked readers, a sunny book-character parade, and buddy reading with Year 2 and 3.

Year 5: Year Five looked more closely at the readings read at Ash Wednesday Masses. They read Joel and were scripture detectives to find words or phrases that might encourage a Christian to go to reconciliation. In Maths, the class have been learning about percentages and how these translate into fractions and decimals. English has been so much fun this week with creating their own limericks. The children really understood the pattern of the rhythm as well as the need for the poem to rhyme. World book day was a great success and the children enjoyed participating in a book quiz as well as reading to their buddies.

The Week That Was - KS2

Year 6: Year 6 have been busy with exciting learning across the curriculum. In RE, we have been reflecting on the scripture of Jesus washing the disciples' feet and were delighted to welcome Canon Chris, who spoke to us about the Easter Triduum. In English, we are exploring formal letter writing and thinking about the skills that might make us excellent spies! Our Maths work has focused on percentages, using real-life examples to build confidence. In Science, we are investigating the best conditions for mould to grow—our experiments are already producing some fascinating results!

Diary Dates Spring Term 2

Year 5 Trip to Ufton Court	Tuesday, 10th March 2026
School Science Fair	Thursday, 12th March 2026
MAGS Day	Thursday, 12th March 2026

Saturday 21st March 2026

Girls football game vs Wraysbury away

Monday 23rd March 2026

Attendance Information From Surrey

If you consider that there are exceptional circumstances relating to your request, please let the school have full details. Each application for a leave of absence will be considered on a case by case basis.

Penalty Notices to Address Poor Attendance at School

A Penalty Notice may be issued as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school (absence without the agreement of the school or not covered by a medical note) and will be used by Surrey County Council in the following circumstances :-

1. Pupils identified by police and Attendance Advice Officers (formerly Inclusion Officers) engaged on Truancy Patrols and who have incurred unauthorised absences.
2. Leave of absence in term time (5 days or 10 sessions or more).

Please be aware that the School Attendance (Pupil Registration) (England) Regulations 2024 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. They may request that Surrey County Council issue Penalty Notices when the absence is not authorised.

Warnings will not be given where it can be shown that parents have been notified that such absences will not be authorised.

3. Finally, the issuing of a Penalty Notice will also be considered where it is judged that a parent is failing to ensure their child's regular school attendance.

This will be considered when a pupil has incurred 10 or more unauthorised sessions in the previous 10 school weeks, which may include a pupil arriving late after close of registration.

If you believe at any stage that your child's absence from school may leave you liable to receive a Penalty Notice, it is extremely important that you act without delay to secure their regular attendance.

If you have any questions or require further support to achieve an improvement in your child's attendance, please contact your child's school or the Attendance Advice Officer.

Attendance Information From Surrey

Penalty Notice relating to Exclusions

If a child is excluded from school, Section 103 of the Education and Inspections Act 2006 places a duty on parents/carers to ensure that their child is not in a public place without justifiable cause during school hours.

This duty applies to the first five days of each exclusion. Failure to do so will render the parent/carer liable to a Penalty Notice. (Alternative education provision will be made available from the sixth day of any exclusion.)

Amount Payable for a Penalty Notice and Consequences for repeat unauthorised absences

1. If you have not incurred a penalty notice relating to this child/children in a rolling 3 year period since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carer per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carer per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under s 444 Education Act 1996.

Surrey County Council is not responsible for authorising pupil absence and therefore cannot withdraw any Penalty Notice requests without the written permission of the Headteacher.

Advice and support is available from an Attendance Advice Officer by contacting Surrey Attendance

Student Council - Lenten Sales

Living & Learning in Faith

St Cuthbert's Catholic Primary School

Lenten sales

Mission Together
Tuesday 17th March 2026
hosted by the Student
Council

As we begin our Lenten journey this year, our Student Council have launched a special fundraising initiative to support Mission Together's Lenten Appeal 2026. This year, Mission Together is raising money to help children living in Cambodia, supporting the cost of teachers, meals, and stationery, as currently only 37% of children can access free early-years education.

LENTEN PLEDGE

To help your child make a meaningful Lenten commitment, families might choose pledges such as:

- Giving up chocolate or sweets
- Doing an extra household job
- Giving up screen time one evening a week
- Helping a sibling
- Reading or quiet reflection each day
- Choosing to walk instead of drive short distances
- Speaking kindly and helping others at home
- Helping with meals or tidying

All donations must be made **online**. Each child is encouraged to complete one chore at home each week, earning £1 per week. At the end of Lent, families will donate their **£5 total** through our school's **JustGiving page**.

When donating, families **must** include their family name so that we can allocate 10 PTA Pounds to your child for use at the Lenten Sales.

Please note:

- Children will only receive PTA Pounds once an online donation is made.
- Extra PTA Pounds cannot be brought in or purchased on the day.

Thank you for your generosity and support. Together, we will help Mission Together bring education, hope, and opportunity to children in Cambodia this Lent.

Student Council - Lenten Sales

As we begin the season of Lent, we are delighted to share details of our **5-week Lenten Sales Fundraising Event**, led by our Student Council. This year, our school will support **Mission Together's Lenten Appeal 2026**, which is raising funds for children living in **Cambodia**, specifically those attending **Sacred Heart Kindergarten**. Many families in this community struggle to access early-years education, and currently only **37% of children** can attend free schooling supported by the Church.

Your donations will help Mission Together provide:

- **Teachers' salaries**
- **Meals for the children**
- **Stationery and learning resources**

Over the next **five weeks of Lent**, each child is encouraged to take part in simple acts of service at home. The aim is for children to complete **one chore each week**, earning **£1 per week**, totalling **£5** by the end of the fundraising period.

These small acts help children understand:

- the meaning of **sacrifice**,
- the value of **charity**, and
- how their actions can make a **positive impact on others**.

All donations will be made **online** via our school's **JustGiving page** (https://www.justgiving.com/page/st-cuthberts-primary-school-3?utm_medium=FR&utm_source=CL&utm_campaign=020)

Please note:

- Cash donations will not be accepted in school.
- Additional PTA Pounds cannot be purchased or brought in on the day of the sales.

To celebrate the children's efforts, every pupil who donates will receive **10 PTA Pounds** to spend at the Lenten Sales. Our Student Council will be setting up a variety of fun stalls and activities for the children to enjoy.

To help your child engage meaningfully with Lent, here are some simple pledge ideas you can try at home:

- Giving up chocolate, sweets, or fizzy drinks
- Helping with washing up, tidying, hoovering, or laundry
- Giving up screen time for one evening each week
- Reading quietly or praying for five minutes daily
- Helping a sibling with homework
- Walking instead of driving short distances
- Choosing a daily kindness pledge

Feel free to choose the pledge that best fits your family life.

We are proud to give our pupils the opportunity to live out the true spirit of Lent through service and generosity. With your support, our school community can help provide education, nourishment, and hope to children in Cambodia who need it most.

Thank you for your kindness and encouragement during this important season.

Mr Ellson's Fundraiser

Dear all,

As most of you know, I am walking the entire Camino Frances in April of this year. This is in aid of helping your schools with their music budgets.

LINK: <https://gofund.me/00549fe33>

This is the link to my fundraising page. I will be splitting the pot equally between my nine SSP Schools and ALL the money raised will be going to this cause (ie: I am funding the trip and travel personally).

All the best,

Fraser Ellson

Surrey Community Games 2026 (Years 3-6)

On Monday 23rd March 2026, Years 3 - 6 will be attending an assembly at school given by Anthony Jones of Runnymede Borough Council. Anthony will be discussing trying new sports and The Surrey Community Games.

Please note that registration for the 2026 Surrey Community Games opens on 9th March 2026.

Want to represent Runnymede?

If you've ever wanted to try a new sport, this is your moment! We're looking for beginners to join exciting sessions in Dance, Judo, Tennis, Hockey, Girls' Football, and Basketball. The Surrey Community Games is the perfect opportunity for young people who aren't currently part of a club to get active, build confidence, and discover a new passion.

What's included

- At least 6 weeks of FREE coaching
- Delivered by friendly, local sports clubs
- Safe, supportive, and fun sessions
- A chance to get fit, learn new skills, and make new friends

The excitement doesn't end there—after your training, you'll get the chance to showcase your new skills alongside other young people from across Spelthorne!

Register at: www.runnymede.gov.uk/SCG

Surrey Community Games 2026 (Year 3-6)

Any questions please email sport@runnymede.gov.uk or call 01932 425677

Girls Football
School year group 4-6
Starts Saturday 18th April, 10.40am-11.40am
Abbey Rangers FC, Addlestone Moor, Addlestone KT15 2QH

Tennis
School year group 3-4
Starts Sunday 19th April, 1.30pm-2.30pm
Victory Park Rd, Addlestone KT15 2EB

Dance
School year group 3-8
Starts Saturday 18th April, 12pm-1pm
Egham Orbit, Vicarage Rd, Egham TW20 8NL

Hockey
School year group 5-6
Starts Thursday 30th April, 6pm-7.15pm

School year group 7-9
Starts Saturday 18th April, 11am- 12pm
Gogmore Farm Park, Curfew Bell Rd, Chertsey, KT16 9FG

Wake Up Wednesday:

All National Online Safety, we believe in empowering parents, carers and trusted adults with the information to help an informed conversation about online safety with their children, should they feel it's needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about SOCIAL MEDIA & MENTAL HEALTH

An estimated one-third of children have a social media account, so it's important that trusted adults know what content young people are consuming, what they're posting and the interactions they're having. On social media, it can be easy to go down 'rabbit holes' that aren't beneficial to our wellbeing. As platforms grapple with managing such 'legal but harmful' content, lives are being impacted – sometimes to tragic effect. We might be daunted by the scale of the tech giants and their content which so enthral young people, but we can still help children to be aware of their mental wellness: recognising when something isn't OK... and knowing what to do about content that upsets them.

1. UNDERSTAND THE ALGORITHM

Algorithms rank content by user interest: someone who regularly interacts with sports news, say, will see the latest results at the top of their feed. Likewise, if a user browses content that can cause harm, that's what will be recommended to them in future. Someone who's had a bad day and looks for posts which reflect their mood will find similar content being suggested to them more and more.

2. AVOID THE MAIN FEEDS

Avoiding the default feeds on social media platforms limits the amount of recommended content that's shown. Users can opt to only scroll through the accounts they follow, use restricted modes, or highlight posts that they don't want to see more of. Explore the platform safety settings to see how you can take control of what your child's phone shows them when they open the app.

3. DISCUSS WHAT THEY'VE SEEN

Chatting about what your child's seen online keeps you aware of the content they're interacting with. Don't assume that platforms are screening out inappropriate material, or even that your child would recognise content as being harmful. Discuss who they follow, what posts they like and what comes up in their feeds: if alarm bells ring, it could be time for a more in-depth talk or to seek support.

4. LEARN HOW TO HIDE CONTENT

If your child stumbles across unsuitable content on social media, there's the option to hide that post as well as indicating you've seen any similar material not to be suggested in future. On some platforms, you might also be able to block posts that contain specific words, which is an excellent way to start taking control of what your child sees online.

5. SET DAILY LIMITS

Phones and most apps can tell you how much they're being used. Spending too long online can mean a child misses out on other activities that are important to all-round wellbeing. You could set some family rules – for everyone to follow – around device use, such as screen time limits and tech-free spaces. Involving your child in creating this agreement makes them more likely to stick to it.

6. MONITOR THEIR ACTIVITY

Keeping a discreet eye on how your child is using social media can help ensure they're not entering potentially dangerous situations. As they grow up, of course, children need space to exercise their independence – but you can still occasionally ask to see what they're looking at. Be transparent about your own social media use and try not to send judgemental about your child's.

7. TURN OFF PUSH NOTIFICATIONS

Even for adults, it's tempting to check an email or message as soon as the alert sound pings. Push notifications encourage people to open their apps and spend time on their device, so turning them off will help your child to practise mindful use of tech. Most of us have other things that we need to focus on as a priority – and those notifications will still be there later, when we have more time.

8. USE DEVICES TOGETHER

Giving children internet-enabled devices and complete freedom to explore platforms on their own can result in exposure to hugely damaging content. You could consider making a particular area of home a designated space to use phones, tablets and so on – making it much easier to monitor what content your child is viewing and (if necessary) steer them away from any potentially harmful posts.

9. ENCOURAGE OTHER ACTIVITIES

Mental health professionals often highlight the importance of exercise, quality time with loved ones, a balanced diet and restful sleep for our mental wellbeing. Spending hours on social media and online use is essential as other activities that our brains need to feel well – so encouraging your child to put down their phone and enjoy something that doesn't involve a screen can be immensely beneficial.

10. TALK ABOUT PEER PRESSURE

Most platforms default children's accounts to private, so only people they've accepted as friends can see their posts. This reduces the risk of bullying or unkind comments, but – just like offline life – the digital world can still make children feel as if they need to act or look a certain way to fit in. Talk to your child about peer pressure, and listen to any concerns so you can provide the support they need.

Meet Our Expert

Shazia Iqbal – Autism is executive headteacher at a specialist primary school and, as an emotional therapy coach, works with school leaders to focus on the SEND, mental health and wellbeing agenda. A passionate advocate for vulnerable learners, Shazia is a Fellow of the Chartered College of Teaching and the author of *The Rainbow Within*, a book which supports children with SEND needs.
