Message from Canon Chris

At the church of “The Assumption of our Lady”, we always extend a warm welcome to families and share with you on your journey. We are blessed with our monthly Children’s Newsletter, monthly Children’s Liturgy of the Word, and the participation of the children from St Cuthbert’s School. Canon Chris is always happy to talk with parents about their faith journey or that of their children. We strongly believe in a strong link up between the home, school, and parish.

Reading Scheme – Accelerated Reader

This is once children have moved on from RWI Phonics related books

Step 1) Assess the current reading age using an online fluency and reading quiz. The child is given a number (e.g 7.6, 9.1, 11.2)

Step 2) The choose a book from the library with that number.

Step 3) They read the book at home.

Step 4) When finished, they complete a comprehension quiz in school about the book. This also assesses fluency. This will give your child a number depending on different factors including; understanding of the text, depth of answers given, fluency of reading. – **Depending on score from the quiz they may move onto the next level or may stay on that level**

Step 5) Child will choose another book in the number given.

There is no specific day that we require the books to be in (no formal hand in day). Just read at your own pace and hopefully the more your child reads, the quicker their reading age will increase.

Home Learning

“When a child completes their home learning, it can give them an advantage similar to having an additional 6 months in one academic year.” – Adam Boxer

Set on Seesaw – this can be given in via an upload of Seesaw or paper copy handed in

Set on a Wednesday - Handed in on a Monday

Home Learning given:

Reading – weekly

TTRS - weekly

Maths and English - alternate weeks

Foundation subject or RE (family prayer leaf in line with the liturgical calendar) - weekly

How you can help...

Regular reading at home

Completing Home Learning

Children to arrive at school on time with the correct school uniform (all labelled) and equipment:

- Water bottle (named) – sports cap please.
- Appropriate footwear (astro or trainers for the field at break and lunch times) School shoes in the classroom (not black trainers)
- PE is on a Monday and Friday. Ensure your child has warm PE clothes to wear in the winter.
- No earrings/jewellery.
- Watches may be worn. A simple fitness tracker that cannot be connected to the internet may be worn.
- Fleeces vs jumpers - Please ensure jumpers are worn inside, fleeces are to be saved for outside.

Can you support the school in any way? – school trips, reading volunteer (that may not be with the class your child is in) helping to set up our new reading scheme, keeping an eye on the Amazon wish list that is often updated, supporting through our social media...

Can you support the PTA in anyway? Tuck shop bakers, Christmas Fayre, volunteering for events...

Being involved in your child's school can benefit your child too.
