

Debate Club Letter to Parents

Date: 29th September 2026

Dear Parents and Carers,

I am writing to let you know about a new **Debate Club** I will be offering, open to Year 3, 4, 5 and 6 pupils at our school.

The club will help pupils to develop their articulation skills, communication skills, as well as supporting justification skills - all of which are vital skills as they grow older. We will also be looking at the structure of a debate and then coming up with our own debate topic. Each session will include a mock debate towards the end of the session, of which all pupils will be able to participate in. This club will help to benefit those pupils who would like to run for a role within school down further down the line, such as head boy/girl or house captain.
